We draw this at the end of Saturday night with all 8 teams waiting for their number to be called. Last person standing gets the last prize. Torpedo up for grabs, plus other great prizes!

The black plastic bag in your starter pack is for cleaning up after yourself and anything around you on the beach. Bring them all back to HQ where you will find a rubbish bin.

Last but not least, this Tournament only works because we get an enormous amount of support from our Sponsors & Volunteers. We hope you get a chance to say "hi" to them as most of them will be here.

All fish weighed in remain the property of the organisers & will be auctioned on Saturday morning at the Kaitia Market. All fish caught on Saturday the angler can keep.
