Every night including Wednesday briefing night, we will draw 2 team numbers. These numbers will be in the Torpedo Lucky Draw. We draw this at the end of Saturday night with all 8 teams waiting for their number to be called. Last person standing gets the last prize. A torpedo up for grabs, plus other great prizes!

Back plastic bags are available for cleaning up after yourself and anything around you on the beach. Bring them all back to HQ where you will find a rubbish bin.

Last but not least, this Tournament only works because we get an enormous amount of support from our Sponsors & Volunteers. We hope you get a chance to say “hi” to them as most of them will be here.

All fish weighed in remain the property of the organisers & will be auctioned on Saturday morning at the Kaitaia Market. All fish caught on Saturday the angler can keep.

PLEASE SUPPORT OUR FOOD AND BAR FACILITIES.
